WENDRON Parish Council

HAVE YOUR SAY

Wendron Parish Council is asking residents for their views on play and recreation facilities across the parish.

We would like to hear about your experience of the existing Carnkie playpark, what could be improved, and your thoughts on the potential new, more inclusive facility near Wendron Cricket Club and Football Club. Your feedback will help the Parish Council understand the needs and priorities of local communities.

Please complete one or both surveys by scanning the relevant QR code below.
